SHERIFF HORTON ISSUES QUARTERLY REPORT

Oxford County Sheriff Lester C. Horton has issued his quarterly report, covering the months of July, August and September.

During the year 1964 some \$37,600 was spent to operate the Sheriff's Department. During this same period some 1279 complaints were answered by the Department at an average cost of \$29.00 per complaint. During the year 1965, 1279 complaints were answered at an average cost of \$29.00 per complaint. During the year 1966, 1279 complaints were answered at an average cost of \$29.00 per complaint.

In the Rumford area, Deputy Sheriff and Dickson are continuing their excellent work, the report goes on. They have had six assault and battery cases, seven stolen cars which they recovered, two breakings, entering and larceny in the night time, eight missing persons which were located and returned home, seven domestic disturbances, seven automobile accidents covered plus many minor complaints answered.

The Sheriff has not as yet appointed anyone in the Bethel area to replace Alton Howe, who resigned as full-time deputy. The Town Manager and the Selectmen have been asked to submit to the Sheriff any names of men they feel would be qualified for the job. Anyone in the Bethel area that is interested should contact the Town Manager or the Selectmen. The Sheriff is looking for men who are high school graduates, between 25 and 45 years of age, no criminal record, in good physical condition and preferably married to the manline. Deputy Wood from Waterford is taking care of the majority of complaints in the Bethel area and is being assisted by Deputy Brown and Greater Bethel has been pretty quiet except for some acts of vandalism. The Department is pretty well satisfied that these acts are being committed by two or six youths from the Bethel area. The Sheriff points out that these are not juveniles or high school youngsters, but are little boys between the ages of 12 and 15.

In the Norway-Park area Deputy Ascarelli was instrumental in obtaining identification for an elderly lady who had suffered a stroke. The Department had been called by a neighbor who had seen her in the woods. The Sheriff's office also includes the arrest of the beating by Jesus of the golden man at the pool of Bethesda.

FARMINGTON 27-GOULD 12

Jason Dalrymple scored two touchdowns and Mike Callahan passed for two to lead Farmington High to a 27-12 win over Gould Academy in a Mountain Valley Conference football tilt at Gould's Alumni Field Saturday. It was the fourth triumph for the Greyhounds in six starts while the Hokies took their fourth setback in six starts.

Farmington went 74 yards in six plays with runs of 43 yards and 10 yards by Callahan keying a 30 yard pass from Callahan to Mike Leavitt covered the final 10.

Late in the quarter Callahan returned a punt from the Gould 45 to the 22 to set up another tally. On the first play Callahan hit Duane Norton for the touchdown. Gould moved 60 yards in three plays for its second-period score. A Bob Remington to Dick Paine pass covered the final 35 yards to paydirt.

The Greyhounds scored again just before halftime going 81 yards in seven plays. Dalrymple hit paydirt from the three to climax a 10-play march.

Farmington missed with a field goal attempt in the third period and Gould took over and went for its second six-pointer. Bob Seeman set up his own three-yard TD plunge with runs of 15 and 20 yards during an 80-yard march.

The Greyhounds racked up their final touchdown after a Gould fumble. Dalrymple hit paydirt from the three to climax a 10-play march.

heard groans from the woman's apartment. Unfortunately the victim died a few days later.

Deputy Housman of South Paris has been busy working on the clearing up of junked cars. Cases of malicious mischief in the Oxford area were cleared up by the arrest of some juveniles. He also cleared up two cases of indecent liberties, took care of two unattended deaths, several lost dogs, recovered a stolen dog, two cases of trespassing, a dog shooting, answered the bank alarm. All told his report contains 74 entries for the three months period. Deputies Gay and McAllister assisted in several of these complaints and have averaged some 25 complaints in addition to their duties on the desk.

In the Fryburg area Deputy Andrews has been averaging 15 hours a day for the past three months. Most of his time has been spent working with Chief Deputy Haskell on the C. N. Brown break.

Many hours were spent during these three months on crime prevention on stake-outs. Chief Deputy Glen Haskell, Deputies Robert Brandom, Clayton Gay, Clyde McAllister and Raymond Ascarelli spent many extra hours of duty to properly cover these stake-outs.

The Sheriff reiterated that he had not recently appointed any additional deputies and anyone interested may check at the Clerk of Courts office for verification. Also to allow another rumor that there are a lot of unneeded major crimes within the county, the Sheriff said that only the Lovell break at C. N. Brown, the Spentman then in Fryburg, and the stolen trailer and the break at the foot of the Wild in Oxford, are unsolved. Any other so-called major crimes unsolved within the county belong to other

enforcement agencies.

Three more instructors are being trained for the Driver Improvement Program sponsored by the Maine State Highway Safety Committee and the National Committee. Ronald Kuehl of Oxford has been the motivation behind this most worthwhile project and has been most helpful to the Department.

In closing, the Sheriff thanked the public for their cooperation during the past 21 months and to the news media and radio station WKTQ for making the quarterly reports possible.
